Re: Klein Candy - Price Protection

Dear Mark,

I have been contacted by Mr. Robert Randazzo of the Klein Candy Company regarding Klein's upcoming bid for the New York City Department of Corrections' cigarette contract for 1997. As you know, Winston King was added to the D.O.C.'s 1996 contract in June and we have been price-protecting Klein for shipments of Winston to the prison system in the amount of $0.40 cents per carton. Mr. Randazzo has requested that we guarantee the list price in effect on November 1, 1996 for all product shipped by Klein to the D.O.C. from January 1, 1997 through December 31, 1997.

I recommend that we grant this request for Winston King and any other brands that we may sell the the Department of Corrections in the above time-frame.

Thank you for your consideration of this matter.

Sincerely,

Artie
